1. Welcome, roll call

2. ND Health Information Network Update - Sheldon Wolf

- Onboarding work continues with various feeds including those Participants who have Healthland Classic and Centriq systems and NDHIN is finishing up some of the interface work with the larger providers
- Work continues on the XDR services for HISP to HISP connectivity and with roll – out of the Patient Portal and development of a Patient Portal brochure

3. Policy – review/approve

- Limitation on the Right of an Individual to Access Their Own PHI
  - i. Discussed and approved with the following amendment:
    1. Change 'in' to 'an' in the first sentence under both the Individual Access to their own PHI and Individual Access to a family member's PHI sections
- Patient Portal Participation
  - i. Discussed and approved with the following amendments:
    1. Add definitions for 'minor', 'unemancipated minor' and emancipated minor'
    2. Remove 'under the age of 18 years' from both the Participation of a Patient and Participation of a Patient Representative sections

## ND Health Information Network – Legal & Policy Domain Workgroup

**August 6, 2014 Meeting  
9:00 AM – 10:30 AM CST**

3. Add the following language provided by Mike Mullen – ‘If a parent wishes to obtain a copy of, or access to, their minor child’s health information the parent will make a manual request to NDHIN (or a health care provider) and a Direct message with the requested information will be sent to the parent.’

**NEXT MEETING: September 3, 2014 9:00 AM – 10:30 AM (CST)**
